

HYANNIS YACHT CLUB
Hyannis, Mass.

January 25, 1956

NOTICE TO ALL MEMBERS:

A study of the present membership by the Secretary has revealed that of 140 members, there are only 19 members between the ages of 21 and 40, of these 4 are in the service at the present time. Realizing the need for "young blood," the Hyannis Yacht Club announces herewith the dues schedule for 1956 which is graduated in the hope of attracting desirable members in this younger age group (21-40).

In the interests of a membership drive, all entrance fees have been waived for a period up to and including April 1, 1956. All persons applying for membership before this date, and approved by the membership committee must pay the semi-annual installment of their 1956 dues at once to validate this membership.

A special committee of younger members composed of Robert Kesten, Winthrop V. Wilbur, Jr., Walter Fish, Charles Lockhart, and Morris Johnson has been appointed to conduct this drive in the 21-40 age bracket. G. Winthrop Moore and his committee will conduct this drive for Senior members.

All of those presently members of the club falling into these various age categories should notify the Secretary in writing of their date of birth, otherwise they will be billed at the 41 or over rate.

It is our hope that all of the members take an active part in this "face-lifting" procedure. If you know someone that would make a desirable member of our club, please submit their name to one of the above committees or to the office of the Secretary. Your participation will strengthen the Hyannis Yacht Club.
