Dear Madam Chairman:

At the Annual Meeting of the Hyannis Yacht Club it was voted un-animously to extend the Club's sincere appreciation and thanks to your organization for the generous support you have given us this past year.

Because of your thoughtfulness and generosity in providing fencing along our south property line, our members were assured the in-creased privacy they had so long hoped for.

Also, the installation of clothing racks downstairs and additional furniture contributed greatly to the comfort and convenience of our members - and - your donations of the Club burgees to Skippers re-vised that nearly extinct Yacht Club symbol.

The Dancing Classes, Covered Dish Suppers, Cookouts, Bridge Parties and Rummage Sale were among the many projects your Club sponsored from which we benefitted both socially and financially.

Furthermore, there was many an occasion when the Second Mates pitched in and kept the Lower Deck ship-shape when it was not their responsibility.

A review of the Yacht Club's past year finds it difficult to pick one or another affair as the high-light, but one thing is certain - the Second Mates played an active part in our many events and aided tremendously in making the past season a great success.

The officers and members of the Hyannis Yacht Club thank you, Second Mates, for a job well done and hope they may look forward to your continued support.

Sincerely yours,

Andrew J. Boylen
Secretary
