Dear Mo:

The Commodore and Trustees of the Hyannis Yacht Club have asked me, on behalf of themselves and the members of the Club, to express their sincere thanks and appreciation for your help and the use of your boat, "PIRATE" in assisting Dock and Grounds Chairman, Chucky Lockhart to retrieve the guest moorings from the harbor.

Your thoughtfulness and generosity aided tremendously in accomplishing this somewhat messy and awkward task in an efficient manner and saved other Club members a lot of hard, wet and disagreeable work.

It is gratifying to know that we have a member like you who, when called upon to help the Club, will do what he can - and then some.

Thank you, Mo, for a job well done.

Sincerely yours,

Andrew J. Boylen
Secretary
