Dear Mr. Richards:

I am writing with great personal pleasure to inform you that at a recent meeting of the Hyannis Yacht Club, you were voted a Privileged Member in honor of your status as a Founder of the Club.

The Constitution, Section 6 states:

A Privileged Member is one who is granted membership by vote of a monthly meeting after recommendation of the Trustees because of some special relationship with the Club. Such members have no obligations and are not required to pay dues. If such members wish to use the Club extensively, they must become Active Members and will be so informed by the Trustees.

Enclosed you will find your membership card for the current period.

Very truly yours,

Dennis S. Sullivan  
Commodore

*Dear Dennis:-*

*Many thanks for the honour you have bestowed upon me. I believe me and Ben Baxter are the last two of the original founders. Your old Buddy Donald K. had the title Commodore on his last command in the U.S.N.R. He was flag officer of the 1<sup>st</sup> Naval District training fleet of mine sweepers out of Newport, R.I.*

*Sincerely,  
Capt. Dolphe Richards*
